

Preschool Child Care

is for ages 31 months – May before starting Kindergarten

The Preschool staff provide individual care with play based learning to prepare children for Kindergarten. We work with the children individually and in group settings to make sure they are getting the education that works best for their own specific needs.

In the classroom we provide:

- *Prayer & Bible lessons
- *Activities to promotes Language skills
- *Creative arts & crafts
- *Science/STEM
- *Dramatic play
- *Music & movement
- *Outdoor Playground and learning
- *Indoor Gym Space

Preschool Typical Day:

we provide consistency for your child, following a daily schedule including planned activities, indoor and outdoor large muscle play, meal times, rest time, faith and Jesus time.

We participate in a food program that provides daily healthy food at

Breakfast

Lunch

Snack

PRAY

Daily communication is provided through the Bright Wheel App and conversations at drop off and pick up.

Parent/Teacher conferences are held twice per year.
